The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions elative to the wearing of the Blue Ensign :—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted. with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

By command of their Lordships.

Convalescent Home, Osborne, Isle of Wight,

For Officers of the Navy, Army and Air Force, presented to the Nation by His late Majesty King Edward VII.

Telegraphic Address - - CONVALESCENT, OSBORNE.

Osborne is open for the reception of canvalescent officers of the Navy, Army and Air Force. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective services, to whom all applications for admission should be addressed.

As regards the Navy, medical officers at home and abroad will submit the names of officers for whom they advise treatment at Osborne to the Medical Director-General of the Navy.

The accommodation at Osborne, which will be divided equally between the three Services, will provide for 60 officers.

The usual fees are remitted only in the case of officers who are certified to be suffering from disabilities due to the War.

The duration of the stay of officers at Osborne will be determined by the Medical Director-General of the Navy, who will be guided by the reports received from the Medical Officer at Osborne.

Retired and demobilized officers of the Navy, Army and Air Force are admitted into Osborne only under the following conditions:—

a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.

b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."

c. That the officer has retired from the Service within five years from the date of the application for admission.

d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

Any officer may obtain information about the Convalescent Home for Officers of the Navy, Army and Air Force at Osborne by writing direct to the House Governor and Medical Superintendent, Osborne, Isle of Wight.
